\*\*\*(This is just an illustration of temple area and not all the details are finalized)

### Great News for the Jain Community in the Rockies!

The Jain Samaj of Colorado is thrilled to announce a momentous step towards establishing a dedicated local spiritual center. We have officially signed a lease-to-buy agreement for our new Jain Center! Demolition and construction are already underway, bringing us closer to realizing our long-held dream.

### Why a Local Jain Center?

For more than 100 families in our growing community, the closest Jain temple is over 780 miles away in Las Vegas. This new center will provide a much-needed shared space to

- Nurture our core values of nonviolence, compassion, and spiritual growth.
- Offer a dedicated place for our youth, the future of Jainism to learn & connect.

### Our Vision is Taking Shape!

We are creating a vibrant spiritual home that will feature a temple (5,000 sqft) including Pathshala, library, small office, pantry, utilities and storage

### Join Us in This Sacred Endeavor!

The “Pratishtha” (consecration) for our new temple is planned for **Early 2026**.

This is a significant undertaking, and we need your generous support to bring this vision to life. Your contribution, no matter the size, will help us complete the construction and create a lasting legacy for generations to come.
